When New York Yearly Meeting meets in person for Summer Sessions, many Friends gather over ice cream in the afternoon or evening, laughing and talking and sharing news. Will you join us for a virtual ice cream, please? Click this link — [nyym.org/sites/default/files/Ice-cream-sundae.pdf](http://nyym.org/sites/default/files/Ice-cream-sundae.pdf) — print the PDF, and color and write a message to the rest of the yearly meeting. ### Engaging in NYYM Virtual Summer Sessions Without a Screen

For each day of virtual Sessions there is an activity that you can engage in without a screen! These optional activities will allow us to share common experiences throughout the two weeks of our Summer Sessions. If it feels comfortable, we encourage you to send pictures of you or others completing these activities by **texting the photo, your name(s), and any other helpful details to 845-288-3225**. They might be in our closing slideshow!

## CAFE NIGHT IS COMING

**Café Night is on Tuesday, 7/28, at 6:30 p.m.** We would love all you singers, stand up comedians, and story tellers to share your gifts with the meeting. If you would like to be part of this, or have an idea and wonder if it would work on Zoom, please [email the new Powell House Youth Directors](#), Sarah and Martin, who are leading the Senior High group: sarahandmartin@powellhouse.org

### Quote & Query of the Day for Meeting for Grieving

**The Meeting for Grieving and Healing** will be a time for Friends to acknowledge the trauma and losses we've experienced as individuals and as a yearly meeting since we last gathered, including interconnected losses due to the pandemics of systemic racism and the coronavirus, economic disruption, and climate change. We will be posting a quote and a query in this and each Q-Up. If any or all of these quotes or queries speak to your condition, please join us **Sunday, July 26, from 2:00-4:00 p.m.** The link will be in both the Quaker Update and the Summer Sessions schedule.

**QUOTE:** To our Friends in the wider Quaker world, we the Friends of Color, can't breathe....In this time of COVID-19, People of Color discovered that a deadly pandemic is secondary to the long-time pandemic of racism in our lives. People of Color are more likely to die from COVID-19 due to the effects of racism and oppression. Think about how this pandemic has turned your world upside down, economically, emotionally, psychologically. Now imagine there is no one working on a vaccine, and that if you get sick or die, no one notices or cares. For People of Color, the human-made pandemic of racism is deadlier than COVID-19, and we need you to do work so that we can BREATHE. — *The Outgoing Epistle of the 2020 FGC Virtual Pre-Gathering Retreat for friends of Color and their Families*

**QUERY:** Do we attend to the different ways that grief may manifest, and prepare ourselves to witness each other's ways of grieving even when it may look different from our own?
