

AGENDA, Summer Sessions 2016

Dear Friends,

This is the work that God has for us for these Sessions, as I understand it in this moment, a few days before Sessions begin. We work in God's time and the agenda will probably change as we move through the week. Please watch the *Daily Minute* for anticipated changes, and for truly up-to-the-minute updates, do come to Meeting for Worship with a Concern for Business!
