

Institutional Assessment Working Group (IAWG) Monthly Progress Report, May 15, 2018

The Institutional Assessment Survey of FGC Friends was launched on May 1st and will remain open until May 31st, 2018. By mid-May there were over 600 respondents. There will be a mid-May reminder email sent out to the dissemination list to thank those who have already responded and to remind others that the survey still awaits their testimony. The respondents tend to take 15 minutes with the survey (on average). The survey has reached a broad array of respondents so far in terms of FGC affiliation and non-affiliation (~450 within FGC and ~150 outside of FGC). The average age of respondents is 64. The live link to take the survey: https://www.surveymonkey.com/r/FGC_IA

(7) Typed in Canadian Yearly Meeting (in the other category) as Canadian yearly Meeting was not among those listed.
