

Syracuse Monthly Meeting of the Religious Society of Friends  
 821 Euclid Avenue  
 Syracuse, NY 13210

March 10, 2013

Dear Friends,

Rachel Pia, a beloved attender of this Meeting, has opened to us her leading to travel as part of a team under the care of, and serving, Friends General Conference's New Meetings Project. She affirms that an Anchor Committee, to include at least one member of Syracuse Meeting, and members of Farmington-Scipio Regional Meeting, will meet with her in person from time to time to support her faithfulness in this work as she travels in the ministry.

This Meeting unites with Rachel Pia's leading to nurture new meetings. We trust that you will benefit as we have, from sharing her insights and faith. We commend her to your care and hospitality. Under the guidelines of NYYM Faith and Practice, this travel minute is issued for the year, April 2013 to April 2014. \*

Approved and minuted at our meeting for business held March 10, 2013.
